Revamping of a Anode Baking Furnace in 2020

Dear Peter

I thank CFT for their work during the latest renewal of our anode baking furnace at TRIMET Aluminium SE in Hamburg. You are welcome to name us as a reference for future clients of CFT. Feel free to share our contacts to potential clients, if they want to get in contact with us for further information.

TRIMET is very satisfied with the work carried out by CFT and can highly recommend it as a professional, proficient and dedicated partner for future projects. We would have no hesitation in engaging CFT for any future work because of their expertise and professionalism.

Mit freundlichen Grüßen / Best Regards
TRIMET Aluminium SE

i.A. Lorenz Struck
